**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF GRAVITA GHANA LTD ON THE FINANCIAL STATEMENTS FOR THE YEAR
ENDED 31ST MARCH, 2021.**

OPINION

We have audited the financial statements of Gravita Ghana Limited for the year ended 31st March 2021, which comprise the statement of comprehensive income, the statement of financial position, the cash flow Statement and the statement of changes in equity as well as related notes to the financial statements, including significant accounting policies set out on pages 11 to 16.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Gravita Ghana Limited as at 31st March, 2021, and its financial performance and cash flows for the year ended in accordance with International Financial Reporting Standards (IFRS) and in a manner required by the Companies Act 2019 (Act 992).

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report.

We are independent of Gravita Ghana Limited in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Board of Directors for the Financial Statements

The Directors are responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs and in the manner required by the Companies Act 2019, (Act 992), and for such internal controls as Directors determine necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error. In preparing the financial statements, the Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and issuing the going-concern basis of accounting. The Directors are responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risk, and obtained audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal controls.

We also:

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going-concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going-concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements present the underlying transactions and events in a manner that achieve fair presentation. We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identified during our audit.

- Provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguard.

From the matters communicated with the Directors, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore key audit matters. We describe those matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extreme rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the benefits of such communication.

Report on Other Legal and Regulatory Requirements

The Companies Act 2019, (Act 992) requires that in carrying out our audit we consider and report to you on the following matters. We confirm that:

- We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- In our opinion proper books of accounts have been kept by the company so far as appears from our examination of those books and finally,
- The Statement of Financial Position and Income Statements Account of the company are in agreement with the books of accounts.
