

#### **INDEPENDENT AUDITOR'S REPORT**

From: R Sogani & Associates

Date: 29-04-2025

Subject: Report on Gravita Infotech ("The Firm") for the purpose of Fit for

consolidation for the year ended 31st March, 2025

### To: Walker Chandiok & Co LLP

In accordance with the instructions in your e-mail dated 4<sup>th</sup> April, 2025, we have audited, for purpose of your audit of the consolidated financial statements of Gravita India Limited, the accompanying Balance Sheet of Gravita Infotech("The Firm") as at 31<sup>st</sup> March 2025, the Statement of Profit and Loss (including Other Comprehensive Income) of the Firm for the year ended 31<sup>st</sup> March 2025 and other reconciliations and information (all collectively referred to as the Fit for Consolidation (FFC) Accounts).

## Opinion

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements of Gravita Infotech("The Firm") for the year ended 31<sup>st</sup> March 2025, in all material respects, give the information required in the manner so required and give a true and fair view in conformity with the accounting policies generally accepted in India, including the Indian Accounting Standards (IND AS) as applicable

(a) In case of the Balance Sheet, of the state of affairs of the Firm as at March 31, 2025;

(b) In case of the Statement of Profit and Loss including other comprehensive income, or the Loss for the year ended on that date;

(c) Summary of Significant accounting policies and other explanatory information.

# **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Firm in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# Information other than the Financial Statements and Auditor's Report thereon

The Entity's partners are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to report the fact.

On audit report date, we have nothing to report in this regard, because the annual report is expected to be made available to us after the date of this auditor's report.

#### Management's Responsibility for the Financial Statements

The Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the entity in accordance with accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS), as applicable. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the entity and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Firm's ability to continue as a going concern disclosing as applicable matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Firm or to cease operations or has no realistic alternative but to do so.

The Management is also responsible for overseeing the Firm's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or

error and are considered material if, individually or in the aggregate they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Firm's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Firm to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The Auditee is a firm and even though the financials of the Auditee are consolidated with a company on whom audit trail is applicable, we are not required to report on these matters since the provisions of the Act do not apply to such component.

#### Note 13- Capital Management

The Firm manages its capital to ensure that it will be able to continue as a going concern and provide reasonable return to the partners through maintaining reasonable balance between Debt and equity. The capital structure of the firm consists of net debt (borrowings net of cash and cash equivalents) and total equity of the firm. The firm is not subject to any externally imposed capital requirements. The firm's management reviews the capital structure of the firm on a periodic basis. As part of review, the management considers the cost of capital and risk associated with each class of capital. The firm also evaluates its gearing measures like Debt Equity Ratio, Debt Service Coverage Ratio, Interest Service Coverage Ratio, Debt to EBIDTA Ratio to arrive at an appropriate level of debt and accordingly evolve its capital structure.
