INDEPENDENT AUDITOR S REPORT

To the Board Members of

GRAVITA MOZAMBIQUE, LIMITADA

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of GRAVITA MOZAMBIQUE, LIMITADA (the company), which comprise the balance sheet at 31 March, 2026 and the Income Statement, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended and the notes to the financial statements, including a summary of significant accounting policies,

In our opinion, the accompanying financial statements of the entity were prepared, in all material respects, in accordance with the General Accounting Plan based on International Financial Reporting Standards (PGC-NIRF).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the financial statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Mozambique, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our opinion,

Responsibilities of the Board of Directors for the financial statements

Financial Statements for the year ended 31 March 2026

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes an opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit in accordance with ISA will always detect material mistakes when it exists. Misstatements can arise from fraud or error and are considered material if, individually or, in the aggregate, they could reasonably be expected to influence the economic decisions of users, taken on the basis of the financial statements.

As part of an audit in accordance with ISA, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional misrepresentation or the overriding of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

Conclude on the appropriateness of the Board of Directors' use of the going-concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the entity to cease to continue as a going concern.

Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions in a manner that achieves fair presentation.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirement regarding independent and independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where possible, related safeguards.

From the matters communicated to the board of directors, we determined those matters that were of the most significance in the financial statements of the current period and are therefore the key audit matters.
