GRAVITA INDIA LIMITED

Corporate Social Responsibility Policy

(Effective from 24\textsuperscript{th} March 2015)
CORPORATE SOCIAL RESPONSIBILITY POLICY
OF GRAVITA INDIA LIMITED

Concept

Corporate Social Responsibility (CSR) has been making holistic and meaningful contributions to the society in many life-touching areas, for decades now. CSR initiatives and activities at Gravita Group extend well beyond its core business objectives, and the organization’s commitment and concerns for the society are evident from the various initiatives it has taken in different fields in such short period.

The CSR objectives of Gravita India Limited (herein after ‘Gravita’ or ‘Company’) further gets reiterated through the company’s vision statement that “All our businesses are targeted at maintaining the highest level of environmental integrity. We firmly believe that eco – friendly business practices are the key to prevention and protection of our natural resources.”

Measures already taken by Gravita

At Gravita, CSR key areas of focus are Health, Education & Environment.

Gravita is a responsible global Lead manufacturer. The company’s responsibility towards the environment is reflected in its primary business objective of recycling Lead products, which save energy and in turn, helps conserve finite mining resources.

Offering proper access to medical and other essential healthcare facilities including free medicines across its operation facilities is an important aspect of Gravita’s social initiatives.

Realizing the importance and relevance of education, the Company has adopted a School in Phagi near its plant. Gravita is supporting the children of this school with books, stationary, bags, drinking water bottles and sports kit etc coupled with providing Computers in the Computer Lab of this School. The children are provided with regular medical check-ups as well on regular intervals as mutually decided with school management.
The company is equally concerned about the environment and has taken many initiatives in this direction like planting of large number of trees, using environment friendly technologies, adopting beautification drive of public parks in Jaipur.

The other measures that Gravita India Limited has already taken for the benefit and sustainable development of environment and contribution to the society include blood donation camp & health check-ups, donation to SOS foundation & Akshaya Patra Foundation, motivational seminars for employees and sports activities for enhancing social bonding between the employees and their families, Training & Development of employees and promotion of education of the wards of employees through Education policy of the Company.
